

ZUDLOW

ILLUSTRATION AGREEMENT

Hey! Thanks so much for considering working with me. I've put together this agreement so we're clear on how we will work together in a future project.

RATES

Every project is different, but here are my basic rates.

- **\$5** Small headshot illustration cartoon (like mine)
- **\$10** Head-to-shoulders portrait
- **\$15** New Yorker-style illustration
- **\$20** Head-to-toe portrait
- **\$30** Mis-en-scene portrait
- **\$50** Simple album cover for music + title
- **\$100** Six-panel comic

- **\$120** Detailed cityscape

Alternatively, if you tell me your budget, I'll let you know what kind of illustration I can do for you!

TERMS

Before beginning work on a project, I do a sketch of the project to get us both on the same page. If you have reference images you can send me for what you have in mind, that's awesome!

If you need minor changes on a project (for instance changing a color, or changing the shape of a nose) I'm happy to do that real quick at no cost. But if it's a big change that requires a considerable amount of time (for example, changing a building, redoing the entire color scheme) I'll add a surcharge based on how much time takes to do the edit.

I generally take two or three days for a project, start to finish. If it's a larger project like an album cover, I will need about a week to complete it. If you're in a rush, please let me know ahead of time.

For projects under \$70, you can pay me when the image is finished. For anything above \$70, I take half the payment at the beginning of the project, and then half when it's finished.

You purchase the right to use my artwork however you'd like, but please credit me (e.g. "album art by zudlow"), and if you share it on social

media, please tag me—I'm @zudlow on just about every platform. I'm not currently licensing any of my artwork for use without credit.

I'm really proud of the work I do, so all images will go onto my online portfolio at zudlow.com. After we finish your project, I may upload the project to my social media. (I'll tag you, of course!) If you don't want me to share what I help you create, make sure to communicate that with me before we start the project.

If you think we'll work well together, [place an order for your illustration today!](#)
